

'Twas the month of December and all through the studio....

the energy is high and the schedule is full in the very best way. December is always a special kind of busy at Dezi's Dance Studio, with excitement tucked into every corner and something new happening almost every week. Parents' Day invites families in to watch dancers proudly show off what they've learned so far, filling the studio with smiles and applause. Costumes are being ordered with care and excitement, as visions of recital day dance in our heads. Our Dance Team has been hard at work preparing to take the stage at the **Stars of the Valley Christmas Show**, sharing their talent and spreading holiday cheer one step at a time. It's a month filled with growth, celebration, and a little festive hustle—and we're soaking up every joyful moment of it.

Parade of Lights

A huge thank you to everyone who joined us for our first-ever Dance Alley! It was such a blast seeing everyone’s amazing costumes, fun dance moves, and bright smiles under all those colorful lights. We loved watching dancers and families just let loose and have fun together. We’re so grateful for everyone who came out to make the night special—it was the perfect mix of music, laughter, and community fun!
