

# Happy New Year from Dezi's Dance Studio!

Welcome to a brand-new year of dance, growth, and creativity! We're excited to kick off 2026 with fresh energy and the start of costumes arriving. Please try to be at class this month so we can try on costumes ASAP to allow time for any needed sizing exchanges. Thank you for being part of our dance family—we can't wait to see all the amazing things this year will bring! We hope parents enjoyed coming to the studio for Parents Day and watching their dancers proudly show off what they've learned—we loved having you with us. We're also so proud of our students who performed at the Stars of the Valley Christmas Show; they did a wonderful job representing Dezi's and spreading holiday cheer on stage. As we look ahead, we're already excited for everything 2026 will bring and all the memories still to be made together!

## Announcements

Tuition is due on  
January 15<sup>th</sup>

|             | 19 Ophelia | 31 Luke       |

Our “Kickoff to Summer” Countdown is coming soon! This is when we’ll release details for our summer camps and workshops and open registration so dancers can start signing up. Be sure to watch for early sign-up discounts—it’s the perfect time to plan for an exciting summer!

Parents Week in December is always such a fun week (or 2) at the studio! We loved welcoming parents and special guests into classes so dancers could proudly show off what they’ve been learning this year! One of the standout moments was JoDee’s ballroom classes, where dancers taught their parents a few ballroom moves—so much fun for everyone! We also recognized our honor students and families got a sneak peek at the costumes that have been ordered, which is always so exciting! It was wonderful having parents, family, and friends in the studio and sharing in the excitement of dance together.

# TEACHER Spotlight

## Reese Fullmer

Reese Fullmer recently moved back to her hometown after graduating from USU with a degree in Elementary and Special Education. Reese enjoys waffles, hiking, rock climbing, backpacking, camping, and paddleboarding—often with her favorite adventure buddy, her mom. Reese began dancing at Dezi’s Dance Studio, where she fell in love with ballet, contemporary, and jazz. She was a captain of the state-winning Brave Cadettes Team in High School. Reese is excited to be back in the studio and is excited for a great dance season!

## Cassie Jenkins

Cassie has been dancing and performing for many years. She has enjoyed ballet, tap, pointe, jazz, hip hop, cheer, drill team and her most favorite, clogging!! Cassie has danced with “Tap Classics” for years. Cassie currently teaches adult clogging. Cassie is married to the love of her life, Aaron and is passionate about her family and cherishes time spent with them! Cassie also enjoys riding and showing horses, taking care of her “mini ponies”, crafting, and decorating.

# NEW YEAR Goals

As we step into a new year, we will start each dance class by sharing something we want to improve on or try. Whether it is mastering a new skill, trying a new hobby, building confidence, or trying something new, let’s celebrate each other as we take on 2026!
