

Another Great Month at Dezi's

February was a full and fun month at the studio! It was so fun seeing the studio covered in hearts sharing what everyone loves about dance – the walls were festive all month long. Our Dance Team performed at both middle school and high school basketball games and did a fabulous job cruisin' to their routine. They looked strong, confident, and represented the studio so well. We wrapped up the month with cozy Teddy Bear and PJ Days, where dancers came in their jammies and brought a favorite stuffed friend to join in on the fun. We are also releasing our **summer camp and workshop schedule** this month, and we're so excited about all the fun and creative options available. There are so many great ways to keep dancers moving and fill those summer days with something they love. Registration opens March 15th! Be sure to take a look and grab a spot in a camp or workshop – they tend to fill quickly, and we'd love to see your dancer join us this summer!
