DEZI'S DANCE STUDIO

NOVEMBER 2026

Fall Fun at the Studio

October was such a fun month at the studio! Our dancers loved celebrating Blackout Days–classes glowed under the blacklights with bright colors, neon fun, and so much energy! We also hosted our 2nd Annual Dance Alley, and it was a huge hit! Dancers of all ages came to show off their moves under colorful lights and, of course, grab some sweet treats on their way out. Our performing team did an incredible job dancing at the football games, and it was so fun to watch them perform! From start to finish, October was packed with laughter, creativity, and excitement. As we head into November, we're excited to keep that energy going! This month brings gratitude, growth, and more opportunities to shine–both in and out of the studio.

BLACKOUT DAYS

Dancers lit up the floor in their white and neon outfits, got creative under the blacklights, and danced with glowing balloons and props to some fun new music, making blackout days fun and exciting!

Team Coaches: Makayla Caro and Dezi Haderlie

TEACHER Spotlight

Dezi Haderlie

Dezi is the owner of Dezi's Dance Studio and has been dancing since she was a toddler. Her mother Diann owned a studio for 23 years in Montana! Dezi operated her own studio in Montana for 2 years before opening Dezi's Dance Studio in Star Valley in 2006. With over 45 years of dancing and teaching experience, Dezi loves all styles of music and dance. Currently, Dezi teaches tap, beginning ballet, all levels of tumbling and coaches our performing team. Seeing students grow in skill and confidence is what makes teaching dance "the best job in the world." She is so grateful for the teachers, students and parents who make Dezi's Dance Studio such a tight-knit dance community. You really are her 2nd family! Some of Dezi's favorite things to do outside the studio include being a Grandma of 2 (almost 3), a Mom to 7, and a wife to the best guy on the planet. Dezi also loves skiing, riding horses, going on motorcycle rides, crocheting, and traveling!

THANKFUL Thought

In November, we will start class by sharing a Thankful Thought! Let's take a moment to reflect on all the things we're grateful for. Whether it's the joy of dance, supportive friends, or simply the beauty of our Valley - let's take a moment to appreciate life's blessings.
